Notes from the Editor

If anyone has anything, they think would be of interest to our members either that they can create or would be interested in, then do let the chairman know as below. We would also really like a few extra helpers – you don't have to be on the Committee – to especially help with research to help produce this newsletter! Contact Peter Alexander (the Society Chairman) at chairman@cogenhoeheritage.org.uk or enquiries@cogenhoeheritage.org.uk

February 10th Heritage Society Remote Talk

Our next talk will be on February 10th at 7:30 when Douglas Goddard will speak on the topic of 'Medieval Churches of Northamptonshire'. Drawing on examples from all parts of the county, Douglas will illustrate how the church buildings of Northamptonshire were part of the landscape and changed through the different periods of architectural style. He will also show some of the patrons associated with them and explore how features such as stained glass and wall paintings determined people's religious beliefs in medieval times.

The details of the link will be advertised nearer to the times of the meetings on the website and on local social media. To join the talk visit the Cogenhoe and Whiston Heritage Society Website. All are welcome (members and non-members) to hear this free talk. Details of the link will be found on the society's website at www.cogenhoeheritage.org.uk
