Thomas Becket – The Mystery of the Book

One of the first images of Becket made after his canonisation is this mosaic in Monreale, Sicily, which could have been based on information about Becket from Henry II's daughter and Becket's own nephew, who both lived there. He is shown holding a small jewelled book... but so are other saints in the cathedral.

Notes from the Editor

If anyone has anything they think would be of interest to our members either that they can create or would be interested in, then do let the chairman know as below. We would also really like a few extra helpers – you don't have to be on the Committee – to especially help with research to help produce this newsletter!
